Summary and Work History

I have over ten years experience in the food industry. I started in the industry as a server at Sagebrush Steakhouse in 2004. Since that time I have worked at Ruby Tuesday, Shoneys, The Diner and Partons Smokin Butz BBQ. I have been a server, host, and culinary assistant. I have developed the social skills it takes to handle customers in a professional and courteous manner no matter the circumstance. I am comfortable with high volume establishments but I also enjoy the "small town" feel of some of the local restaurants. I pride myself on being a team player and get along well with coworkers in any environment. I am mild mannered and very level headed which is always a plus when working with the public.

Hobbies & Interests

I love to cook. If I have free time I am usually in the kitchen with my daughter. My love of food carries over into my work and I take pride in the dishes I serve to my guests. I also enjoy interacting with people and can strike up a conversation with just about anyone. I enjoy scrap booking and making décor for my home. I like the feeling of seeing something unique and beautiful and knowing it was done by my hand.
